published in THE NEWS of Tuesday last, the name John Hayran should have been John Hargreaves.

MUTINY ON BOARD, THE BRIG CONCORD .- A. Galling, J. Corliero, S. Williams and John Phillips, sallors of the brig Concord, were arrested yes terday afternoon for mutiny, at the instance of the captain. These men had deserted about a month ago, but were arrested and taken back to the brig; since then they have refused to work, and as the captain wished to sail for Philadelphia in a few days, he had them arrested for mutiny.

THE MACON JOURNAL .- Mr. Robert Mitchell. the agent of the Macon Daily and Weekly Journal, is in the city on business connected with his paper, and will visit our merchants soliciting adments. The Macon and Augusta Railroad will be opened in about thirty days, and the present opportunity is an exceedingly favorable one for our merchants to extend their business in the thriving city of Macon and its vicinity.

OUR PRICES CURRENT .- We especially invite the attention of our merchants to THE NEWS Prices Current, issued this morning. Made un with the utmost care, and handsomely printed with entirely new type, it forms, with the business card of the house forwarding it, the most attractive and welcome weekly commercial circular that can be used. Price, for ten copies or more, with business cards, two and a half cents per copy; single copies five cents.

DIFFICULTY AT THE DETECTIVE OFFICE .- We learn that a difficulty occurred at the Detective office last evening, between Officers Lovitt and Burke, in which the former shot at the latter with a pistol, narrowly missing him. The difficulty is said to have originated about a prisoner who had been arrested by Lovitt. Officer Burke appears to have been in the discharge of his duty. We'are informed that Lovitt and Officer Maroohetti, who was implicated, will be discharged from the detective force this morning.

A NOTABLE IMPROVEMENT. .- The large store on the northwest corner of Cumberland and Eas Bay streets, recently purchased by Messrs. Wm. M Rind & Co. for the better accommodation of their increasing business, has recently had a thorough overhauling at the hands of Mr. John H. Devereux. The interior has been fitted up to suit the paint and oil business.

SALE OF BOOTHS FOR THE GREAT PAIR .-Messrs. Leitch & Bruns will sell, under the hammer at three o'clock this afternoon, the sites allotted for the twenty-two refreshment and lager booths to be erected for the approaching Justitute Fair. It is believed that the Pair will attract a throng, the like of which Charleston has never yet seen, and many an honest penny will be turned by the lucky bidders who may chance to secure the more prominent booths. After the sale of the twenty-two is concluded, the large stand, known as the Club House, which will dispense comforts of every description for the inner man, will be put up. The sale will positively take place at the Pair grounds at three o'clock P. M. The proceeds, of course, are for the benefit of the Pair.

BRUTAL MURDER OF A COLURED MAN BY Scorr's Militia .- The Edgefield Advertiser says "On Saturday last there was a Radical meeting at Ridge Spring. To this meeting there came a company of the Scott negro militia from Mount Willing-a company not yet in passession of the r Winchesters. Many of them, however, brought with them their own guns, and upon arr.ving stacked these guns and placed two sentries to guard them. In the course of the day a negro man named Cyrus Smith, in the employ of Mr. Luke Smith, to whom he formerly belonged, walking past the stacked arms, not dreaming of deing any wrong or infringing any command, was halled by these sentries. Not understanding their intent, and knowing that they had not the faintest shadow of authority for attempting to halt him, he walked on, and was therefor brutally shot down dead. The sentry who discharged the fatal shot has been lodged in jail at this place. His name is Joe Yarborough. Cyrus Smith was, as we can personally attest, a colored man of very rare good character, and his wanton and brutal murder cries aloud to Heaven for ven

TO THE MARTYRS OF LIVER COMPLAINT .- Among the wonderful medical roperties which have rendered HOSTETTER'S STOMACH BITTERS pre-eminent among the health-restoring preparations of the age, its antibillious virtues are not the least remarkable. No vords can do justice to its marvejous effect upon the diseased liver. Perhaps the simple words of a convalescent sufferer, who describes it as "going right to the spot," tell the story as clearly as may be. It does go right to the spot. It operates directly upon the disordered organ, and whether unduly active or in a state of paralysis, restore it to a condition of health. The Sickness at the Stomach, pain between the Shoulders and in the Right Side, Yellow Surfusion of the Skin, Costiveness, Drowsiness and Langour, Dimness of Sight Colle Palpitation of the Heart, Dry Cough, Low Fever, and other symptoms which indicate the various phases of Acute and Chronic Liver Complaint, are one and all promptly relieved, and finally removed, by the action of this famous preparation, which is at once the best of correc tives, the gentlest and most genial of aperients. an infal ible regulator, and a powerful restorative.
